The South Indian Education Society (SIES) established in 1932 at Matunga is a pioneer in the field of education in this metropolis. The society has been serving the cause of education and has carved for itself a niche as a provider of quality based education from Nursery level to Doctoral level in a wide variety of fields.

SIES Graduate School of Technology, an integral part of this well-established community, started in the year 2002 is located in the midst of an educational hub in Navi Mumbai. It is situated in a congenial environment over a 6-acre plot of land at Sri Chandrasekarendra Saraswathy Vidyapuram, Nerul, providing an ideal setting for academic pursuits. It is one of the premier institutes in Navi Mumbai imparting quality based Technical Education in the field of **Information Technology, Electronics & Telecommunication Engineering, Computer Engineering and Printing & Packaging Technology**. The institute is approved by All India Council for Technical Education New Delhi, Directorate of Technical Education Mumbai, Affiliated to University of Mumbai, Accredited by Tata Consultancy Service Limited and an ISO 9001: 2000 Certified. The institute has an excellent building spread over the area of more than 11000 Sq.m and state of the art fully equipped and sophisticated laboratories and Research & Development Center.
